

Frolic®

Frolic Specialty Lubricant for Toys
 Sizes 3.3 oz /100 mL, 1.7oz/50mL and .17oz/5mL Sample

Once you **FROLIC**,
 your **life** will truly **change!**

Frolic is specifically designed for use with Toys. This unscented, water-based and glycerin-free formula provides incredible thickness to get the lubrication where you need and not everywhere else. Frolic means no more runny, goey mess that needs to be cleaned before the fun even begins. Frolic is highly concentrated and liberally coats the toy of choice with a little dab for long lasting, intimate pleasure. Frolic is conveniently packaged and travel friendly. The lock-in pump and protective cap assures no leaks and no mess.

Why Frolic Specialty Lubricant for Toys:

- ✦ Thick and concentrated to stay where you need it most
- ✦ Water-based, non-drying Formula is safe for ALL Toys and provides maximum moisture for extended pleasure
- ✦ Infused with Grapefruit Seed Extract and Glycerin-Free for added health benefits
- ✦ Enriched with Hydroxyethylcellulose to enhance Natural Moisture
- ✦ Unscented and water-soluble for no-mess, easy cleaning fun
- ✦ Convenient Lock-in Pump and Protective cap assure no leaks and no mess.
- ✦ Discreet, Travel friendly, TSA Compliant 1.7 oz. packaging allows you to Frolic anytime, anywhere.

INGREDIENTS: Water, Propylene Glycol, PEG-8, Hydroxyethylcellulose, Sodium Benzoate, Potassium Sorbate, Polyethylene, Citrus Grandis (Grapefruit) Seed Extract.

hot pink®
